Oak Tree Knowledge

Tuesday, November 17, 2020, 7:00 PM, via zoom

Come join the Circle of Coll in the journey of Tree Knowledge of the mighty Oak, is considered the most powerful and sacred of trees to Druids. The word Druid is from the Celtic word meaning “knower of the oak tree.”

Darach, is known for it's strength, fortitude and long life, with branches providing shelter for all. Fully grown oaks are known for bearing nine hundred bushels of acorns three times a year. And for the moment the last acorn falls, the first blossom of the year appears, repeating the perpetual cycle of death and rebirth.

We will share druidic wisdom of the tree, the bark, the leaves, uses of fallen branches, and traditional medicinal uses.

Join us as we continue the journey throughout time and a day of Druids.

With the blessings of Oak Tree knowledge, */ |\ * Gail
