

## Alban Arthan Druidic Meditation with the Circle of Coll

December 20, 2020, 7 PM, Zoom

Join the Circle of Coll wherever you may be with this meditation in preparation of Alban Arthan, Winter Solstice.

Alban Arthan in the Druidic tradition is Welsh for “Light of Arthur.” At this time of greatest darkness we welcome the return of Light. The sun will begin to grow stronger and the days lengthen as the Wheel of the Year begins to turn towards the new life of spring.

This is an opportunity to connect with the Spirit of Alban Arthan and continue the journey throughout time and day of Druids. With blessings of Alban Arthan, \*/|\\* Gail.
