

## **Beltane Meditation with the Circle of Coll Seed Group**

April 30, 2021, 7:00 p.m.\*\*

**Via Zoom**

Spring has arrived in all of its glory! Trees are covered with green leaves, flowers bloom everywhere, and animals are taken out to pasture. Beltane, meaning the "bright fire," serves as the gateway to summer in the Celtic Wheel of the Year. It is a time of union between the Divine Feminine and Divine Masculine and the full abundance of life.

Join the Circle of Coll Seed Group for a very special Beltane Meditation that honors the inner feminine and the inner masculine within yourself. This is an opportunity for growth and moving fully into this joyous time of the year.

*\*\*To honor the sacred space of this meditation, the Zoom meditation room will close at 7:10 p.m.*
