

Samhuinn Meditation with the Circle of Coll

Saturday, October 30, 2021, 7:00 pm to 8:00 pm
Via zoom

Come join the Circle of Coll for the Samhuinn meditation.

During Samhuinn the veil between this world and the World of Ancestors are drawn aside at this time. This special occasion we honor our departed families, friends and relations. During this time, Cailleach, the Crone, removes the trees of leaves to quicken the decay, so that it may feed the new life to come. This is a time to ask for change from the past, so that new life can come.

This is an opportunity to connect with the Spirit of Samhuinn and continue the journey throughout time and a day of Druids.

To join us, send a message through the Circle of Coll website at <https://circleofcoll.org/contact-us/>
The zoom link will be send to you the day of the mediation.

With the blessings of Samhuinn, */|* Gail
