

Imbolc Meditation with the Circle of Coll

Tuesday, February 1, 2022; 7:00 PM
Via Zoom

The Light of the Sun in the Wheel of the Year stands in the NorthEast within the Cone of Darkness. This is a time of hope and preparation. And a time to hope for growth to emerge and increasing Light.

Imbolc holds the first appearance of Cailleach fading to the winter, and Bridget arising from the earth bringing growth to welcome that which has been dormant in the earth and in our lives.

Through the cold winter, gratefully, Imbolc will soon be here. This is the festival of inspiration and the first green shoots begin to emerge from blessed Mother Earth.

The Circle of Coll Seed Group Meditation is Tuesday, February 1st, at 7 pm. We look forward to seeing you!
