

## Beltane Meditation 2022

This spring has brought wonderful new growth of plants, trees, animals and each of us! The Circle of Coll Beltane will be Sunday, May 1<sup>st</sup>, with the meditation at 6 pm.

The Bright Fires of Beltane celebration will soon be here with the return of fertility to the land. Beltane means "bright fire" and the fires of Beltane purifies and heals. From the Fires of Beltane an ember is given to all to light a flame in their homes, in one's self and bringing new growth. Janet and Colin Bord wrote "The customs may become clearer if we instead describe them as magical rites performed to raise energy, which is then directed to the desired goal, which is usually the fructification of crops, cattle, people, and the well-being of the land itself." And the time of year when the beautiful flowers of the hawthorn tree blossom.

May spark of Beltane Fires be with you
