

# Samhuinn Meditation with the Circle of Coll

Saturday, October 29, 2022, 7:30 pm  
Via Zoom

Come join the Circle of Coll with this informal celebration of Samhuinn for a guided meditation.

Samhuinn meditations aid in bridging the veil between this world and the World of Ancestors, as the veil is drawn aside at this time. This special time we honor our departed families, friends and relations. During this time, Cailleach, the Crone, removes the trees of leaves to quicken the decay, so that it may feed the new life to come. This is a time to ask for change from the past, so that new life can come.

With the blessings of Samhuinn, \*/|\\* Circle of Coll
