

**Alban Elfed Ritual Ceremony  
with the Circle of Coll OBOD Seed Group  
September 22, 2022, 2 pm**

We invite you to our Alban Elfed Ritual celebration to be held in Woodinville, Washington, Sunday, September 22, 2024, at 2 pm.

Alban Elfed, means 'The Light of the Water'. The Wheel turns and the time of balance returns. Alban Elfed marks the balance of day and night before the darkness overtakes the light. It is also the time of the second harvest, usually of the fruit which has stayed on the trees and plants that have ripened under the summer sun. This harvest is a central theme of the Alban Elfed ceremony - thanking the Earth, in her full abundance as Mother and Giver, for the great harvest, as Autumn begins.

Eisteddfod will be after the ritual to share music, a poem and song! Bring a beverage and snack for after the ritual for grounding. We look forward to seeing you! /|\ Gail
